DIGGING DEEPER

1. We all make use of our spiritual gifts. Reading through the seven primary gifts listed in Romans 12:6-8, which do you discern to be at work in your life? Is there more than one? How have you used this gift (or these gifts)?
2. We all pray to the Lord with all prayer. “All prayer” includes adoration, confession, thanksgiving and supplication (ACTS). How would you say that each of these aspects of prayer adds strength and health to the local church?
3. Read II Corinthians 1:8-11. How does this passage inform the perspective that “God will not allow more hardship in our lives than we can handle”? According to verse 11, how are Christians “helped” through such trying times?
4. Can you give testimony to the power of prayer to see you through a temptation, to break a stronghold, or endure a time of great trial and difficulty?
5. We all speak grace into the people around us. Read Colossians 4:5-6. What are some of the big questions or issues we might be called to give answers for? Discuss a couple of those issues together seeking the Lord for wisdom and insight.
