DIGGING DEEPER

1. The Holy Spirit brings power to God's people. Sometimes the Holy Spirit empowers us with great strength and boldness. And, He often empowers us when we feel totally weak and fearful. When have you experience moments in either direction?
2. Read Colossians 1:9-14. How is the power of the Holy Spirit pictured in Paul's prayer? What specifically was Paul asking God to do in the Colossian Church and in us by extension? How might this apply to this fellowship group?
3. Looking more closely at Colossians 1:11, when have you failed to have endurance and patience with joy? In what circumstances are you tempted to give up and/or lash out? What does repentance empowered by the Spirit look like?
4. Acts 2 begins the fulfillment of Acts 1:6-11. Read the Acts 1 paragraph with a focus on verse 8. What is the significance of each expanding geographic circle? What are the comparable spheres for you?
5. According to Acts 2:11, the Holy Spirit gave the church in Acts 2 the ability to speak about the mighty works of God in foreign languages. This indicates God's love and desire for all the nations of the earth. Which mighty works of God come to heart and mind? How can we go about communicating them to others?
