## DIGGING DEEPER

1. The Greek word translated boldness, *perresia*, has to do with freedom, or inhibition, in speaking what you know to be true. Why, then, would we be anything but bold? Why do you think Christians shrink back from sharing the truth?
2. Reflect on Colossians 4:2-6. What shades of boldness do you see in this passage? How would your life change if you lived it out?
3. Reading through Acts 4:23-31, how does the theology of the early church guide the prayer of the church? How can you allow sound doctrine to inspire and influence your prayer life?
4. The early church took strength in the knowledge of God's sovereignty over local powers and world rulers. What encouragement do the following passages bring us in the coming season of political drama and turmoil?

Proverbs 21:1; 28:1

Daniel 2:17-23

I Timothy 2:1-7
