## DIGGING DEEPER

1. Reflect on Mark 4:26-34. What is the point of each parable? What encouragement is Jesus giving to his disciples, and to us at Bethel Grace, through these pictures?
2. Jesus is our Savior and our Leader. Not only does he save believers from sin, but leads us in a certain lifestyle. How does Jesus describe it in Luke 9:23-27? How can this call be manifested in the concerns you are facing today?
3. In Acts 5:27-32, a man named Gamaliel gives a word of sage wisdom. What is his point? How do we see people fighting against God today? How have you been an opponent of God?
4. Reflect on Matthew 5:9-16. How is this played out in the lives of the apostles in Acts 5:17-42? Where can these teachings be applied in your life?
