DIGGING DEEPER

1. Acts 11:19-21 has clusters the language of Lordship. Reflect also on Philippians 2:9-11. What does it mean that Christ is Lord? How was this a provocative teaching in the Greco-Roman world? How is it a provocative teaching in our context?
2. Luke describes Barnabas as a “good man.” How do we reconcile this with the biblical testimony that there is “no one good, no not one” (Romans 3:9-18)?
3. How can the “goodness” exemplified by in the life of Barnabas be manifested in the lives of Christians today?

Acts 11:22-25

Galatians 5:22-23

Romans 15:14-21

4. Barnabas retrieves Saul to come help him pastor the flock in Antioch. How can you engage in ministry partnerships with others? What is the value of this?
5. Barnabas and Saul brought a strong teaching ministry to Antioch. What is the value of a strong teaching ministry? Why should we view it as foundational, like Saul and Barnabas did?
