DIGGING DEEPER

1. God has never been limited to a particular place or structure. This is seen all through Stephen's sermon. How does Paul make this point in Acts 17:22-34? What is his application? How does it inform and encourage us today?

2. God has always been giving living oracles. Even today the Law of Moses carries a powerful ministry. How is it described in these passages?

Romans 3

I Timothy 1

Psalm 19

3. God has always been revealing the Messiah. One place alluded to in Stephen's sermon is Deuteronomy 18:15-22. What is the prophecy and what are the applications?

4. God has always been leading his people outward. One supreme expression of this is found in Acts 1:7-8, the theme verses of all of Acts. How is Jesus leading you forward and outward today? Ask Him to show you where He desires you to be His witness, and call upon Him for faith and obedience!
