DIGGING DEEPER

1. Isaiah provides a vision of multinational worship to stir hope and repentance in the people of God. Which elements of verses 2-4 do you find most gripping?
2. A similar vision of worship is found in Revelation 7:9-12. Reflecting on those verses, who is worshipping God? Can we distinguish between converting people to Christ and converting people to Western culture? What's the difference and why is it important?
3. How can we answer the call of Isaiah 2:5? What priorities would become prominent in our worship with Bethel Grace and daily living as followers of Jesus?
4. God was rejecting Judah and its worship because of what their lives were filled with in Isaiah 2:6-11. How is American culture similar to what's described there? How about your life?
5. How is the principle of James 4:6 revealed throughout Isaiah 2?
6. In view of everything found in Isaiah 2, what encouragement is received from Isaiah 57:15?
