DIGGING DEEPER

1. Read John 1:18, 1 John 4:12, and 1 Timothy 6:16. Surely John and Paul knew all about Isaiah 6:1-13. How can we understand Isaiah's experience in view of these statements?
2. God is currently exalted in the breathtaking worship of angels and saints in heaven. How should this affect the way that we approach our times of worship? How does Psalm 103 help us in the right direction?
3. Isaiah came to the devastating knowledge of his own sin. How does his experience of grace and forgiveness shed light on I John 1:5-2:2? When have you had experiences of conviction and forgiveness before the Lord?
4. Isaiah was given a difficult assignment in his commissioning (1:8-13). Reflect on II Timothy 4:1-5. Would you say that Isaiah was ministering in a time that was "in season" or "out of season." What about our time? What is God calling our church and you to do in our time?
